CENTRAL ELECTS TEAM CAPTAINS

Wallace Will Lead the Track Squad.

M'DONALD ON GRIDIRON

Most of This Season's Teams Will Return Next Year and Prospects Are Bright.

At the meeting of the Central High School track team held just after the close of the school term F. C. Wallace, of the class of 1906, was unanimously elected captain for next year.

Wallace is the strongest quarter-mile man in the high schools today, notwithstanding his showing in the interhigh school meet, having been "spiked in the trials at Georgetown and at Philadelphia, where he ran a beautiful race regardless of the fact that he was inlured at the start. Under his able leadership, with the men who are left over from this year's team and a promising bunch from the grades to pick from, the Central team should again carry off the onors and add another victory to its proud record of having never lost the "spring meet." The boys who won the Central "C" on the track last year are Sidney Kent, last year's captain; F. C. Wallace, H. Noble Clagett, William Hampton, John Sherman, George E. Wilson, W. E. Dick, Angus MacDonald Paul Cook, E. C. Kemper, Leo B. Rob-erts, George Israel and Schmidt. Qu these those who will be at Central next year are Wallace, Clagett, Wilson, Hampton, Dick, MacDonald, Kemper, Israel, Sherman, and Schmidt. No Baseball Captain.

The baseball team has been tardy for some unaccountable reason in electing a captain for next year. It will be either Willis or MacDonald, the latter being already captain of the football team for

The members of last season's baseball team who will in all probability be back next year are Willis, MacDonald. Hampton, and possibly Cunningham and . Those on the second team who red up well and will probably place next year are Cambell, Turpin, Bristol, Peewee Evans, McKeever, and George Rihl.

NOTES OF THE GAME.

Treasury's effort in the third inning Everybody threw the ball wild.

Five hits were made off of McKillen in two and a half innings, and two of the hits were three baggers. No wonder he was sent to the pasture. Loving's two-sacker in the fifth scor-ing two men retrieved him somewhat for his bad throwing.

Director North of the Census Bureau and other high officials of the Depart-ment of Commerce and Labor were en-thusiastic onlookers.

Fulcher's pitching somewhat puzzled the Metcaifs, but it was a case where all twisters looked alike to them.

Shaggy Thorp took a turn at the slab work in the third and lasted almost an luming. He might last a whole inning if he were to try again.

Fifty dollars' damage was done to Marcino Murrio's house and household articles by fire about 5:45 o'clock this morning. The blaze was caused by the explosion of a gasolene stove.

The house is located at 57 N street southeast. The alarm from box 531 brought out several pieces of fire apparatus and quick work was made of the flames.

Sheckells and Wahler again opposed each other on the rubber, but Sheckells' unsteadiness in the first two innings proved his downfall, as Wahler pitched in masterful style throughout.
